

JUNE 2022

# June Newsletter

## SUMMER IS HERE!

Oneota Golf & Country Club is off to a great start this season! We have had a terrific May and are ready for the summer to get into full swing, no pun intended! May's weather still wasn't great, but we still had some fantastic events! Cinco De Mayo was the perfect social event at the club, a great turnout and great memories were made! Mother's Day brunch was great and we loved to see all the moms and families together! Callaway Demo day had a full fitting schedule and turned out to be another great event, and Friday night meals have got off to an awesome start! We have more fantastic things planned for June, so stay tuned!

Here is our [driving range schedule](#). We will close the driving range at 7:30pm to insure the safety of our staff picking up the range balls. The chipping/ putting green will still be allowed. Also, on Thursday mornings the range will be closed until 9:30am for mowing.

[Plated meals must be RSVP'd BY NOON the day before](#). If you forget to RSVP you will still be able to order food off the short order menu, which includes the sandwich of the week special. We have some great specials planned for June! Check out the last page for more details. We also will be continuing [Friday Night Meals](#) except for June 3rd due to the Lynch Livestock Outing. You will not need to RSVP for Friday nights! Just show up, socialize with friends and family, and have a great meal with specials as well!

Thank you for the continued support at Oneota! It's great members like yourselves that make Oneota the amazing place that it is. Whether, its purchasing new clubs, buying merchandise, socializing with friends, enjoying delicious food, or stepping up and helping when we are busier than expected on Cinco De Mayo. Everything is appreciated and we can't thank you enough!

See you at the tee box,

Morgan McMillan  
General Manager/ PGA Professional

Austin Lynch  
Food & Beverage Manager
